### My Favorite Things

Hi! My name is Sarah. Let me tell you about my favorite things.

I like animals. My favorite animal is a puppy. They are so cute and fluffy! |        also like to play with my cat, Mittens.

I don't like vegetables. Broccoli and spinach are yucky! But I love fruits, especially strawberries and apples. They are sweet and juicy!

I like playing outside with my friends. We run and laugh together. But I don't like rainy days. I prefer sunny days when we can play in the park.

In school, I like reading books. Stories take me to magical places! But I don't like math. Numbers are confusing sometimes.
